### **Sally Barbour, PharmD BCOP CPP FHOPA, New HOPA Secretary for 2018-2019 Term**

Chicago, IL (March 21, 2018): Sally Barbour, PharmD BCOP CPP FHOPA, took office as the Secretary of the Hematology/Oncology Pharmacy Association (HOPA) at the 14th HOPA Annual Conference in March. Dr. Barbour has dedicated much of her time and expertise to HOPA serving on various committees as both a member and committee leader and has given numerous international, national, and local professional presentations.

Dr. Barbour is the Director of Oncology Pharmacy Programs, PGY2 Oncology Pharmacy Residency Program Director and a Clinical Pharmacist Practitioner at Duke University Medical Center. She maintains a clinical practice in the adult outpatient oncology clinics. She earned her BA from Duke University and her PharmD degree from the University of Texas at Austin. She completed a residency in Pharmacy Practice at the University of Illinois at Chicago and in Oncology Pharmacy Practice at the Audie L. Murphy VA and University of Texas Health Science Center in San Antonio. She has been a Board Certified Oncology Pharmacist since 2001 and obtained her Clinical Pharmacist Practitioner certification in 2005. Dr. Barbour serves as a member of the NCCN Antiemesis Panel, NCCN Educational Programs Advisory Committee, ASCO Antiemetic Guideline Panel and the Pharmacy Committee for the Alliance for Clinical Trials in Oncology. She also co-founded the North Carolina Oncology Pharmacists Association in 2001.

### **About HOPA**

Hematology/Oncology Pharmacy Association (HOPA) is a nonprofit, education-based organization formed in 2004 to help oncology and hematology pharmacy practitioners and their associates the best possible cancer care. HOPA supports research, provides education, encourages professional development and advocates for health policy issues that improve patient care. HOPA serves more than 2,700 members in the fields of oncology pharmacy, pharmacy administration, and research, and includes pharmacy residents, interns, and technicians specializing in hematology/oncology practice.
