

# HOPA

## Hematology/Oncology Pharmacy Association

The Hematology/Oncology Pharmacy Association (HOPA) is a nonprofit professional organization formed in 2004 to help oncology and hematology pharmacy practitioners and their associates provide the best possible cancer care. HOPA supports research, conducts educational conferences to advance knowledge, encourages professional development and advocates for health policy issues that improve patient care.

HOPA has more than 2,800 members\* and includes oncology pharmacists, as well as pharmacy administrators, researchers, residents, interns and technicians specializing in hematology/oncology practice.

### **Membership Numbers\***

Full Members - 2313

Associate Members - 113
